SUBJECT: Updates to DAVID

If a person's driving privilege is suspended only for one of the non-driving-related reasons listed in section 322.34(10)(a), Florida Statutes, we now display the following message in DAVID:

Chargeable Under 322.34(10)(a)

This message is to assist law enforcement officers in determining whether a driver may be charged under s. 322.34(10)(a), charge code 600, which provides additional remedies to the driver and, to some degree, lesser penalties.

Under section 316.1951, F.S., the department may have a vehicle towed if it is illegally parked with the intent of displaying it for sale (curbstoning). If a vehicle has been towed, we will note that information on the vehicle record and list contact information that may be provided to a customer seeking to retrieve the vehicle.
